End of Leash - K-9 Wellness

Join Dawn from End of the Leash for another fun filled talk about nutrition. This session will include; the best ways to feed your pet, the importance of rotating foods, and supplements you should provide when feeding any diet. We will also discuss foods and supplements that may be helpful for arthritis, allergies and sensitive tummies. Dawn will have a new selection of toys and healthy treats and supplements for purchase as well as lots of free samples. End of the Leash is an all-natural pet supply store in Mukwonago and Pewaukee, WI featuring over 30 varieties of all natural foods for cats and dogs as well as natural treats, specialty bakery and unique toys, collars, gifts and apparel.

Dance Lesson with Kay

Kay Johnson has been dancing her entire life. She began teaching many years ago and opened her own dance studio in 1992 in Mukwonago Wisconsin. Kay teaches ballet, tap, jazz, pointe and hip hop for ages 3 through adult. Students from Kay's Academy of Dance have performed throughout the United States at prestigious venues such as Disney World, New York City, The Sugar Bowl, The Orange Bowl, The Gator Bowl and Caribbean cruise. Kay continues her dance education with teachers from New York, LA and Chicago. She is happy to share her passion for dance.

Craft Session with Cindy

I Was Born to Sparkle sign making. You will receive a 4" x 12" piece of pine – each person will paint it the color they want. Textures may be added. Vinyl lettering will be given – various colors available. Everyone will prep their own sign. Vinyl lettering will then be attached to each board by each individual. Sounds easy enough but, will definitely take a good 30 to 45 minutes to complete. Cindy is excited to share her passion for crafts with you.

T-Shirt Order

Shirts are available in two colors (charcoal or black) and will have a white design. The cost of the T-shirt will be \$13.50 and the sizes that are available are from Small-XXXXL. Please contact me by September 10th if you want to order a t-shirt (either through e-mail at angeluvu@ameritech.net or call 414-322-1831).

“Dancing with Woofs” Contest

Participate in our version of Dancing with the Woofs freestyle contest judged by our renowned panel of judges: Carol Sumbry as Carrie Ann, Anna Schloff as Len, Patie Ventre as Julianne, and Pam Zorko as Bruno. Coordinate your costume to your music the same as you would for a freestyle competition. Prizes will be awarded. This will be a fun contest to get your foot in the door if you haven't already competed in competition, if you like to try out a new routine or just having fun dancing with your dog. Bring to camp: Costume & Music selection.

Privates with Anna and Patie

Ray will be available for privates to work with you one on one. The cost would be \$30 for 30 minutes, \$45 for 45 minutes and \$60 for 1 hour. You can pay Anna or Patie at your session. You can let me know if you would like to schedule a private and I can arrange it for you.

AKC Trick Evaluation with Anne

The Novice Level Tricks are easy, and most any freestyle dog should have no trouble with the Intermediate and Advanced as well. There are a few short videos that help with training a few of the tricks on the AKC Trick Dog website page. I would encourage everyone to think about it. The test is fun and low-pressure. If you have any questions about this, just ask, but most of the questions can be answered on www.akc.org/trick-dog.
